TO THE COURT:

Plaintiffs PETER WRIGHT and MICHELLE TRAME and Defendants ADVENTURES ROLLING CROSS COUNTRY, Inc., SCOTT VON ESCHEN and Cross-Claimant SCOTT VON ESCHEN, by and through their respective counsel of record, herein agree and stipulate as follows:

RECITALS

1. Counsel for Defendants and Cross-Claimant Adventures Rolling Cross Country, Inc., et al. filed a Notice of Appearance on August 24, 2012, having just substituted into this matter.
2. The parties previously conducted a mediation on July 19, 2012, which did not resolve this matter.
3. The parties have met and conferred and agreed that further attempts to resolve this matter are in order and the parties will participate in an informal discussion and possibly continued mediation within the next forty-five (45) days.
4. Accordingly, the parties are requesting the Case Management Conference currently set for August 31, 2012 be vacated and reset in accordance with the court's calendar an estimated 45 days after today's date.
5. Because the Plaintiffs are agreeing to postpone currently-scheduled depositions and discovery, which they intended to use to move promptly for conditional certification under the Fair Labor Standards Act (FLSA), and subject to a ticking statute of limitations under the FLSA, the parties also agree to toll the statute of limitations.

STIPULATION

NOW, THEREFORE, Plaintiffs and Defendants hereby agree and stipulate as follows, subject to Court approval:

1. That all proceedings in the case should be stayed pending the outcome of further settlement discussions anticipated to occur on or before September 30, 2012.

2. The parties agree to submit a joint report by no later than October 5, 2012 to advise the Court as to the status of the mediation efforts.
3. The parties agree that all discovery and filing deadlines be stayed pending this time. This includes, but is not limited to a stay of depositions, responsive pleadings, filing of FSLA conditional cert motion and any other outstanding discovery.
4. The parties agree that the FLSA statute of limitations be tolled for all purposes retroactive to August 16, 2012 (the day this agreement in principle was first reached between the parties) for all putative FLSA class members.
5. The CMC set for August 31, 2012 be vacated and continued to sometime after October 5, 2012, with a Joint CMC statement filed one week prior to the re-scheduled conference.

IT IS SO STIPULATED.
